2020 National Conference Mobile App Download Instructions

To download the **Conference Mobile App** to your smartphone, follow these instructions. If you do not have a smartphone, **skip to Web Version (desktop) instructions**.

STEP 1: Get the app
  A. Go the right store. Access the App Store on iOS devices and the Play Store on Android.
  B. Install the app. Search for **CrowdCompass AttendeeHub**. Once you've found the app, tap either Get or Install.

*After installing, a new icon will appear on the home screen.*

STEP 2: Find your event
  A. Search the AttendeeHub. Once downloaded, open the AttendeeHub app and enter "#NCCBUS or 2020 National Reading Recovery & K-6 Literacy Conference" in the search bar.
  B. Open your event. Tap the name of your event, then tap Download to open it.

NEXT STEP:
Log-in to access icons in the app and edit your profile: The verification code to login to the app will be sent to you via email. *You will need to have access to your email you entered on your registration to retrieve the code*.

How to log-in:
  A. Select Log-in (top left hamburger symbol - three horizontal lines) or tap the settings "gear" symbol (top right) and select log-in.
  B. Enter information requested (first and last name).
  C. Enter your verification code (check text message or email).
  D. This should complete the one-time log-in process.

If you would like to edit your personal profile, tap the "gear" symbol and select Edit Profile. This is where you can set your profile to private mode or add a photo and as much contact information you would like.

Web Version (desktop) instructions:
  A. To access the web version of the event's app using this URL: https://crowd.cc/nccbus20 (cut and paste into browser). Click Log in in the top right, then Log In once again from the dropdown.
  B. Enter your first and last name, then tap Next. Enter an email address you have access to, then tap Next once more time.
  C. Verify your account. Access your verification email. You'll see it includes your verification code.
  D. Return to the log in page and enter the verification code, then tap Verify.
